

100V端口耐压线缆寻线仪

100V PORT-RATED NETWORK AND TELEPHONE CABLE TRACER

Type C New Practical Patent Charging Port
Extends Testing Duration

Custom mold and brand new multi function
cable tracing and matching solution.

Multiple core functions to enhance precise cable
tracing and matching, solving line faults.

AM-818 Anti Interference Noise Free 100V Withstand
Voltage Cable Tracker

AM-818N Anti Interference Noise Free 100V Withstand
Voltage Cable Tracker

AM-828N Anti Interference Noise Free 100V
Withstand Voltage Cable Tracker

AM-828N PRO Anti Interference Noise Free 100V
Withstand Voltage Cable Tracker
